

Join the Fort Point Arts Community!

FPAC is a public charity founded in 1980 to enrich the Fort Point area with an artist live/work population that contributes to the district's and the City of Boston's cultural life. In Fort Point artists not only create artwork, we develop permanent studio space, negotiate leases, organize lending programs, run a gallery and are active participants in determining the future of our neighborhood. Help keep art alive in Fort Point!

Membership benefits

Members and Associate Members receive invitations to all FPAC events, including gallery openings and special Members' Evenings, plus timely registration for three annual Open Studios events. All members and Associate Members who provide an email address will be invited to join FPAC's private community email group, a forum for posting and receiving messages about Fort Point, the arts and notices of calls for entries. Please note: FPAC does not offer exhibit space to Associate Artist Members during Open Studios events, although they may be hosted in individual members' studios.

Member artists are eligible to apply for occasional members' only exhibits at the FPAC gallery and calls for public art proposals. Member artists' website URLs will be posted on the MEMBERS page of the FPAC website. Member artists are eligible to have a portfolio –10 images, artist's photo and statement– on the MEMBERS page of the FPAC website for an annual fee of \$40.
